Unlocking the magic of Statsguru

MATCH FLOW

- Play was delayed by 10 minutes due to early rain, and 10 minutes were removed from the lunch interval no reduction in the number of overs.
- The England innings was shortened when the overs weren't completed by 6:10pm, the rescheduled close of innings time.
- Wessels was a runner for the whole of Kirsten's innings
- Rain interrupted play for 12 minutes with South Africa 231/6 off 42.5 overs and the over limit was reduced to 43 overs with the target reduced by 1 to 252. (The SCG scoreboard and the TV coverage incorrectly displayed South Africa needing 22 off 7 balls, then 22 off 1 ball - the actual requirement to win was 21 off 1 ball)
- Chris Lewis bowled the last ball with slow medium pace and Brian McMillan took a single with a push to midwicket
- A Duckworth/Lewis calculation under the rules in 2006 would have first set South Africa a target of 273 in 45 overs, and then reduced this to 257 from 43

Were South Africa really unlucky in the 1992 World Cup? Or did they simply suffer the

consequences of their own

actions earlier in the game? How many times have brothers made ducks in the same Test?

Also: what would South Africa's Duckworth-Lewis target have been in the 1992 World Cup semifinal?

South Africa vs maths

Not a player or a team, South Africa have had a far more

formidable foe in World Cups South Africa end up on the wrong end of a rain-rule

farce in the World Cup In the game against England, the World Cup newbies fell afoul of the new, supposedly fairer, rain rule

needed 22 off one ball How the team's first World Cup adventure ended in heartbreak

The time South Africa
